

# Montgomery County Village Planning Prices Fork Village Community Meetings & Citizens' Advisory Committee

---

The Montgomery County Planning Commission &  
The Montgomery County Planning Department  
announce the start of the  
Prices Fork Village Planning Process

During February, students from Virginia Tech will be going door-to door, in Prices Fork, surveying residents on their views of their community and their wishes, needs, and concerns for the future.

Starting in March, the Montgomery County Planning Commission and the Planning Department will be sponsoring a series of village meetings to provide village residents with the opportunity to participate in planning Prices Fork for the next 25 years. Learn about the planning process, participate in describing and defining Prices Fork, and help build a long range vision for the future,

“Create the Vision” (March 19th, 8:30 a.m.- 3 p.m.)  
“Refine the Vision” (April 16th, 8:30 a.m. -3 p.m.)  
“Affirm the Vision” (May 7th, 8:30 a.m. - 1:00 p.m.)

All meetings will be held at the Prices Fork Grange.  
Refreshments and lunch will be served to participants.

For more information, contact Meghan Dorsett, Montgomery County Planning Department at  
394-2148 (fax: 381-8897, email: mcplan@naxs.net

---

The Board of Supervisors will be appointing a Prices Fork Village Citizen's Advisory Committee to work with the Planning Department and the consultants from Herd Planning. Members of the advisory committee would attend the citizen input meetings and would provide representation for the community.

Would you be interested in serving on the Prices Fork Village Citizens' Advisory Committee? \_\_\_\_ yes; \_\_\_\_ no.

Would you be interested in attending one or more of the community meetings? \_\_\_\_yes; \_\_\_\_no.
