

Alternative Community Programs is a placement program for youth ordered by the Court and the 27<sup>th</sup> District Court Services Unit to perform community service. Montgomery County's goals for this program are:

- To place court-ordered youth in community service settings for constructive completion of required hours
- To provide non-profit organizations with valuable volunteers; and
- To reduce expenses for government programs, which would otherwise have to incorporate these individuals

For more information on Alternative Community Programs, please contact the ACP Case Manager at (540) 394-2084 or [pricerd@montgomerycountyva.gov](mailto:pricerd@montgomerycountyva.gov) , or follow the link below.
